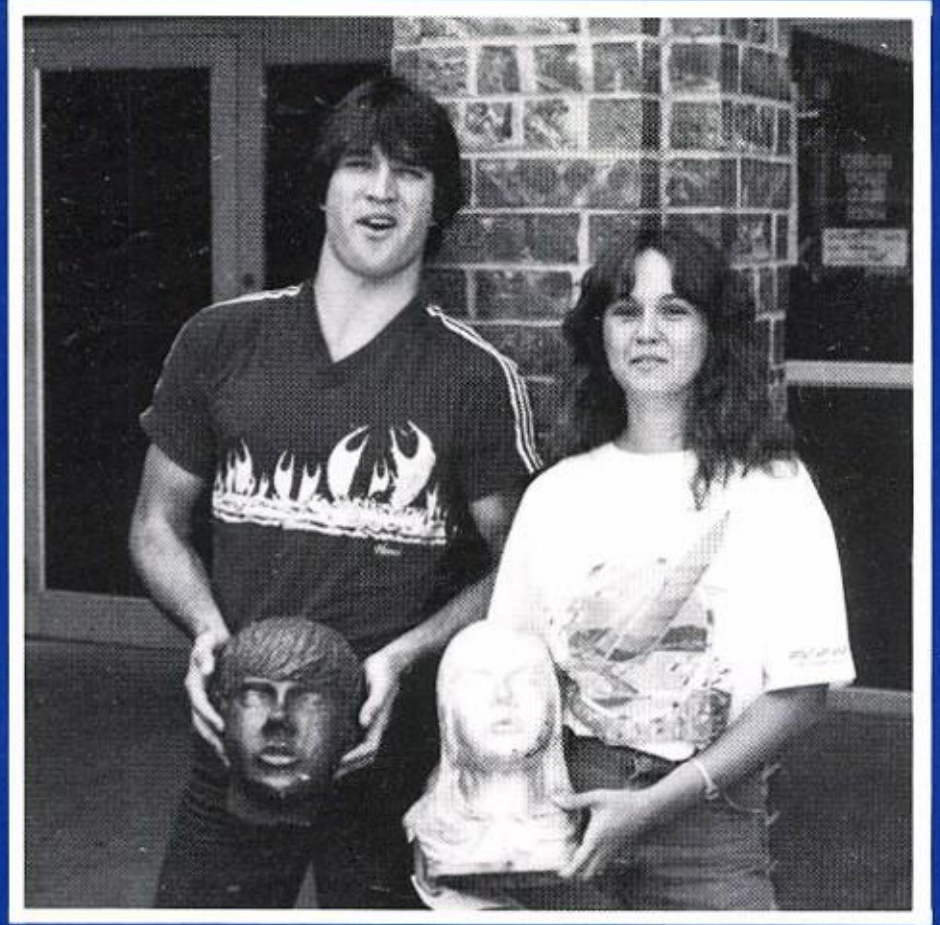
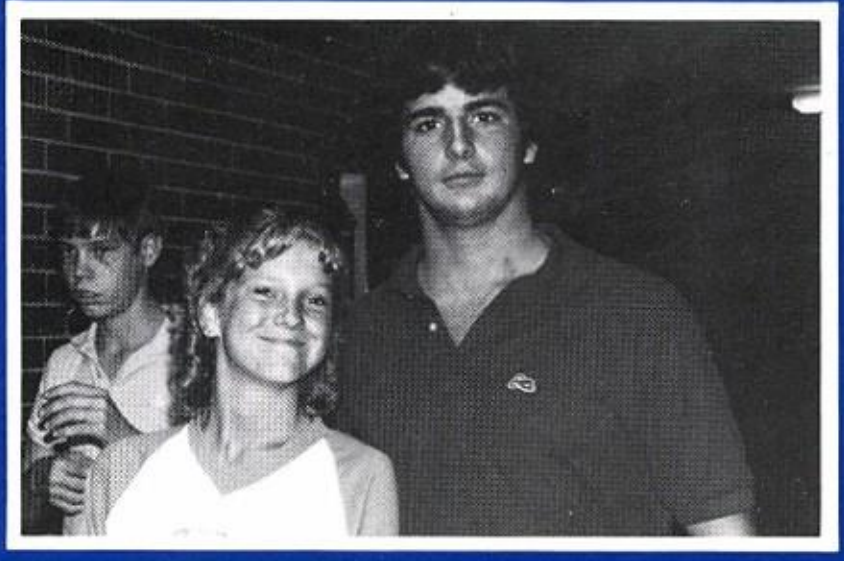
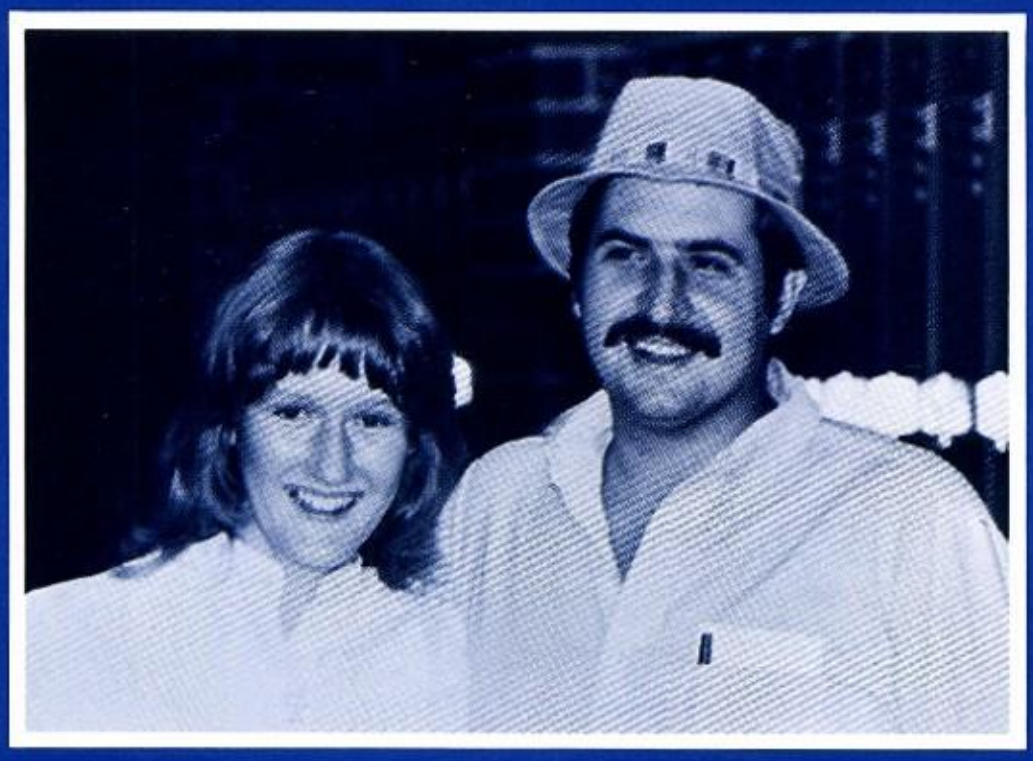
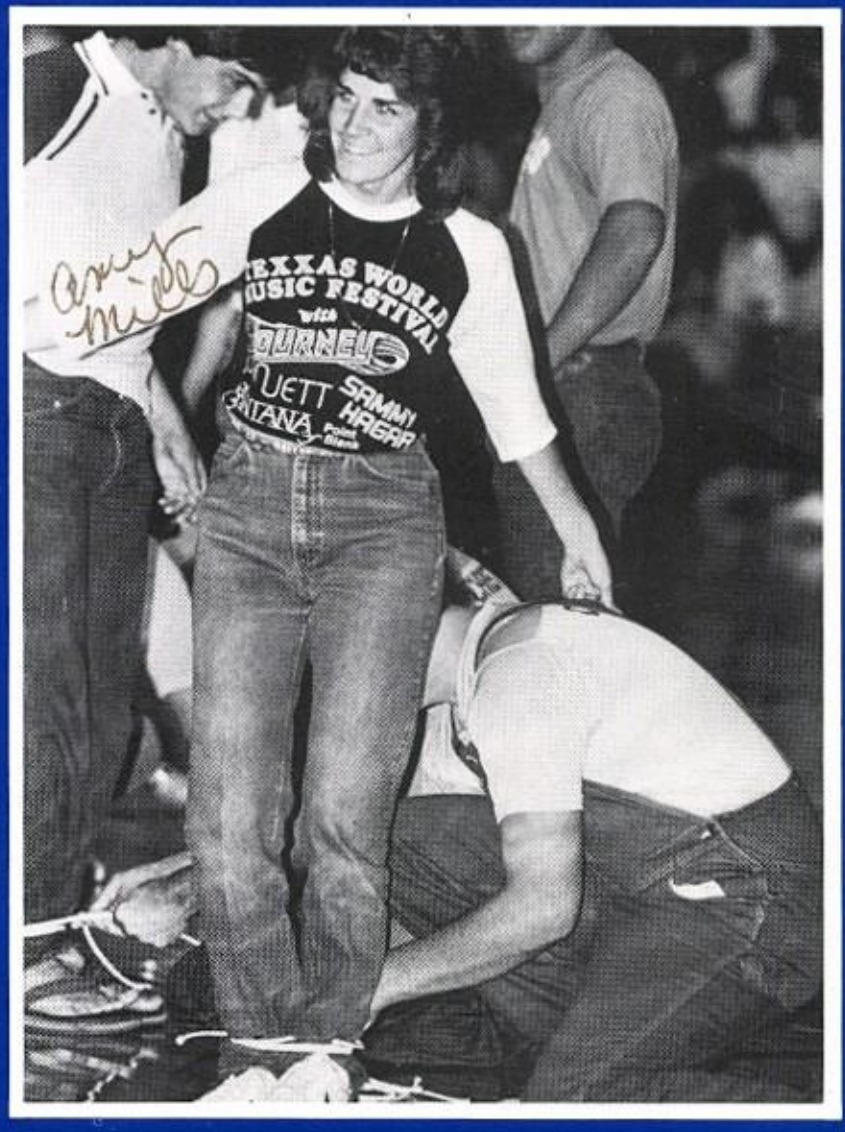
STUDENT LIFE

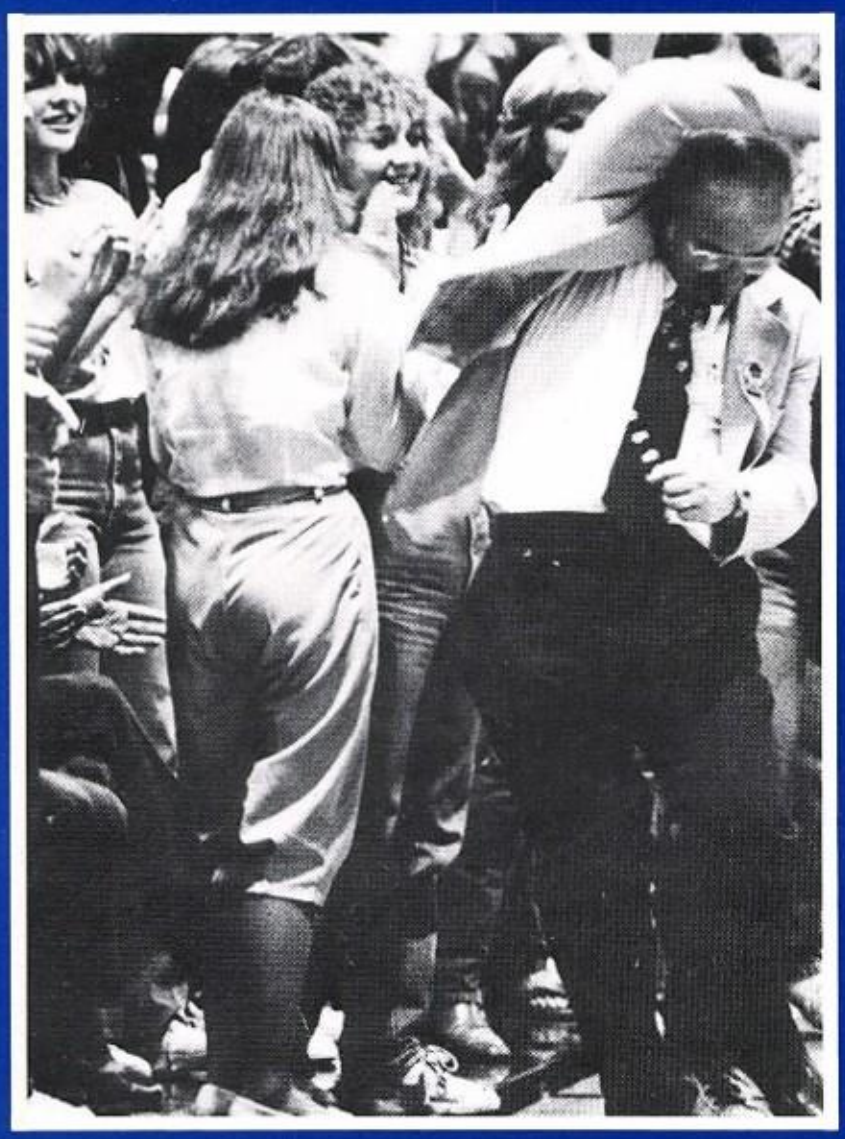
Our high school years are only a brief span of time in each of our lives. These very important years involve fun, excitement, learning, hard work, school spirit, and all the events of student life. Each of these events plays a certain role in the fulfillment of the expectations of every high school student, and they also provide a collection of memories to be treasured always.

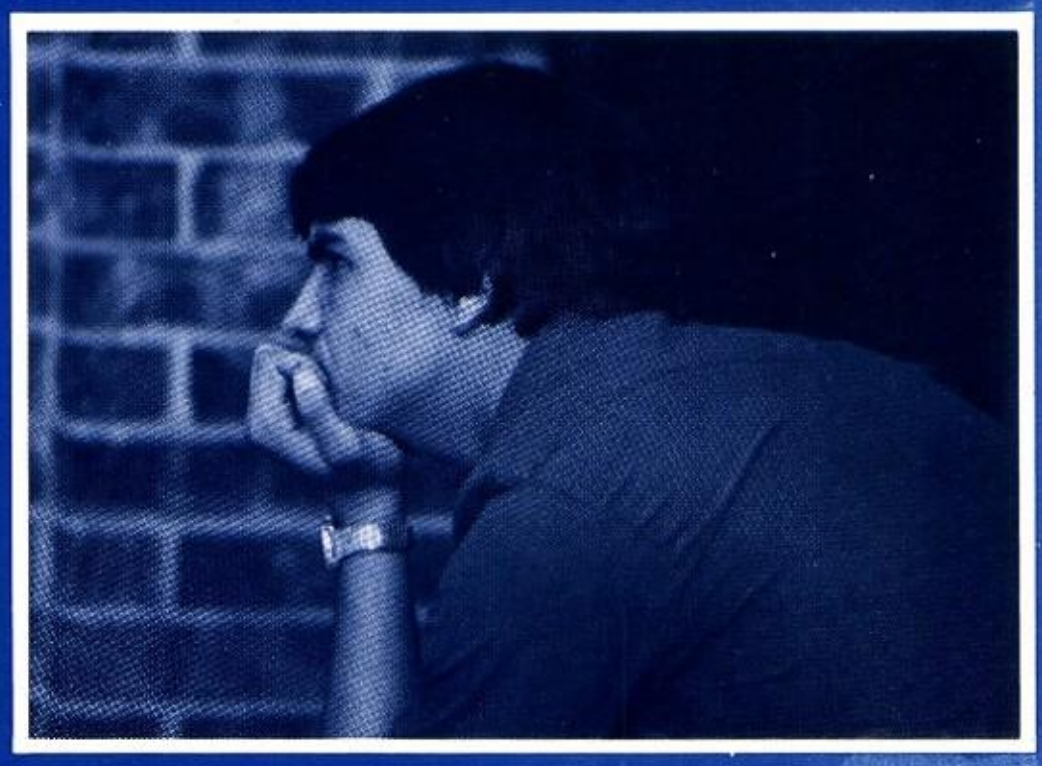


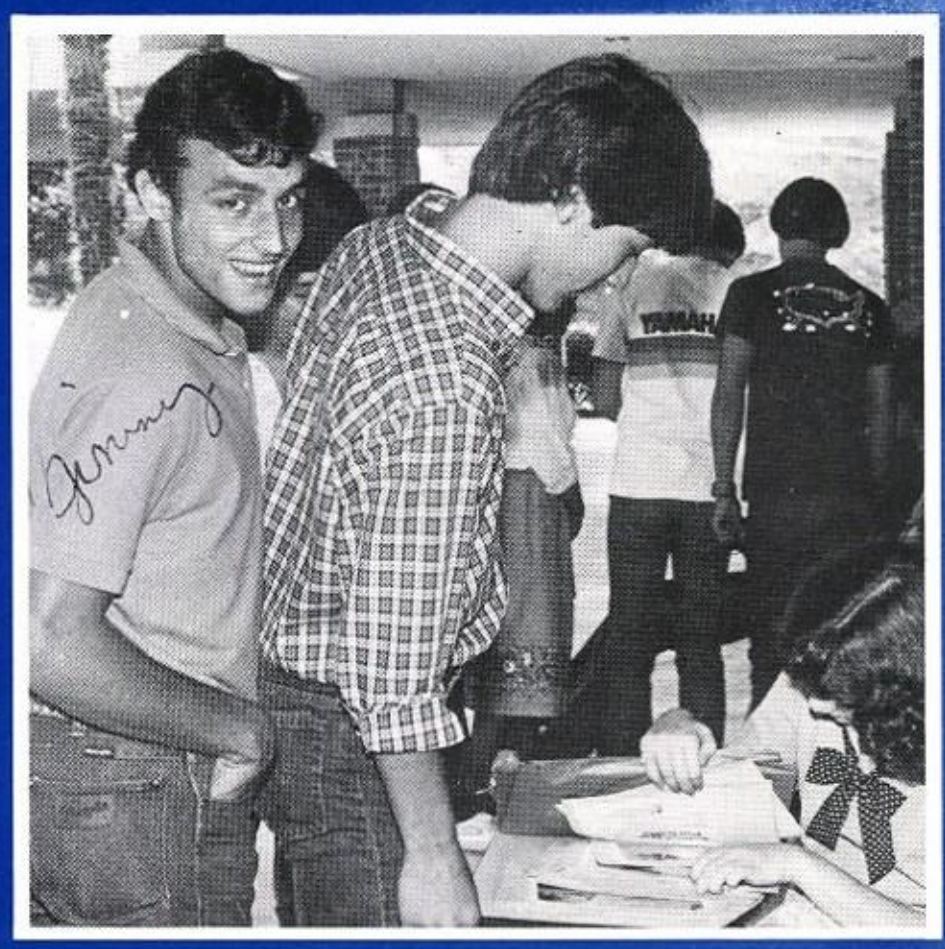






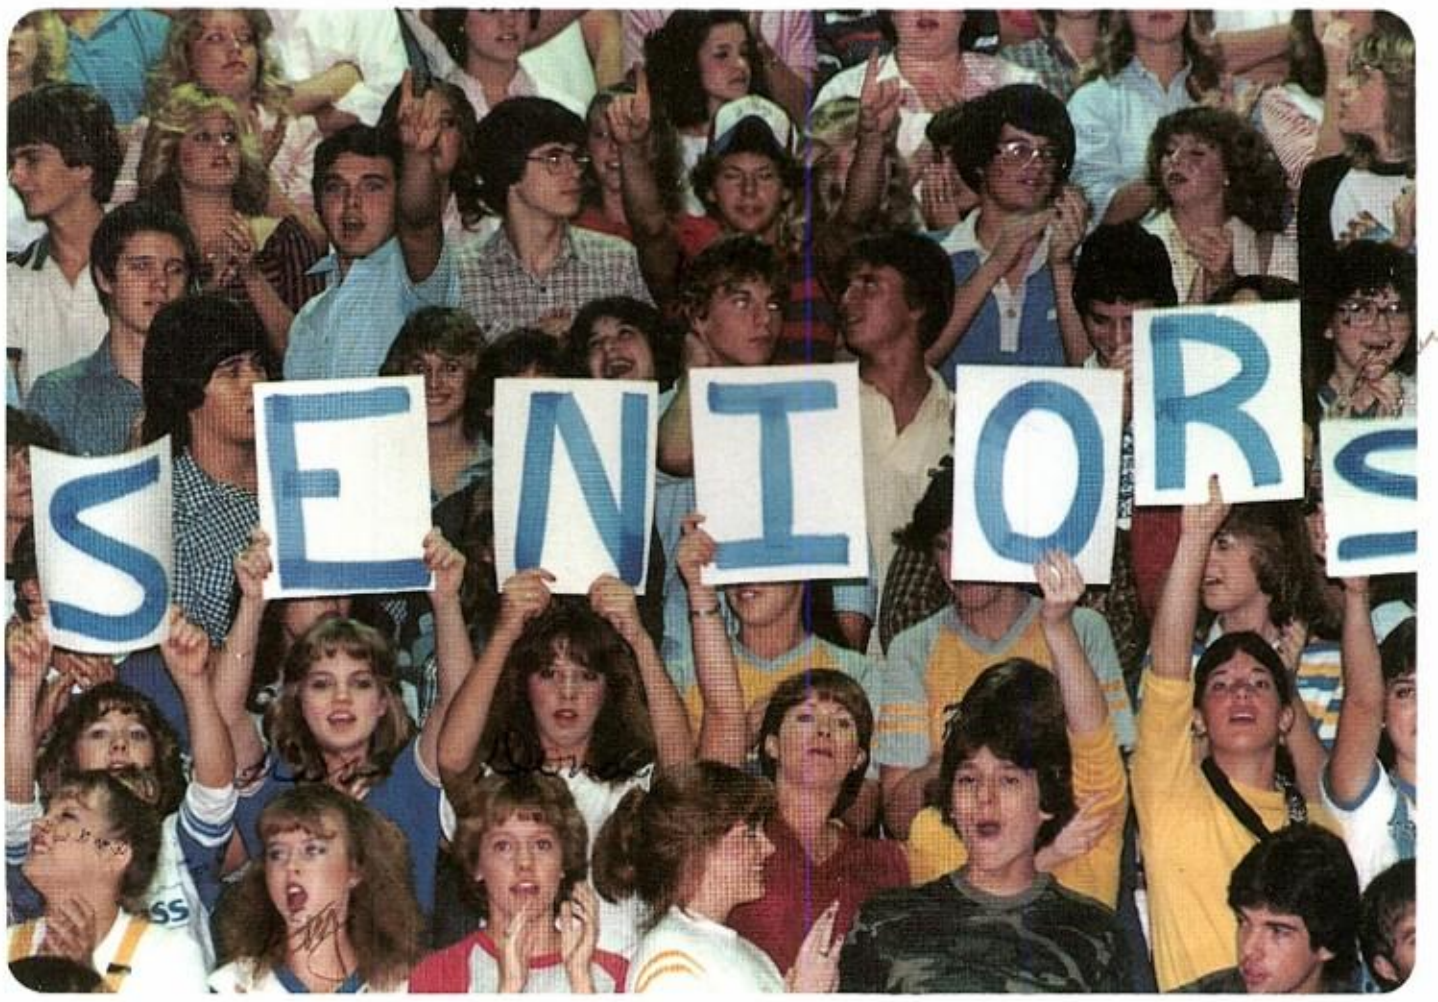






When time, who steals our
years away
Shall steal our pleasures,
too,
The mem'ry of the past will
stay,
And half our joys renew.

Thomas Moore, *Song*



MEMORIES . . .

We have roamed o'er many lands,
And many friends we've met;
Not one fair scene or kindly smile
Can our fond hearts forget.

One of the highlights of the year was Homecoming 1982. The week was filled with various activities including hall decorations, a balloon contest, "hat and tie" day, and a "kiss a pig" contest. A bonfire held on Thursday night promoted homecoming spirit. The crowning of Janis Burk as Homecoming Queen took place at Pirate Stadium during pre-game activities. Duchesses included Vicki McEntire, Marlene Murph, and Stefani Terry. After a victorious game, a dance was held which proved to be an appropriate end to a memorable week.

THE

PRIDE

The 1982-83 Pine Tree High School Band showed their extraordinary enthusiasm and spirit as they began their marching season in August. The Band attended camp in Oklahoma to prepare for their task. Under the leadership of Dee Hood, assisted by Sue Brumfield and Richard Whorton, the band worked diligently toward its goals, practicing long and hard. The band's efforts could be seen at football games and pep rallies as members performed flawlessly. The band also participated in U.I.L. marching competition.

As we have experienced the 1982-1983 school year, we have strived to compile a special treasure of memories, your yearbook. We have seen the excitement of pep rallies, the thrill of sporting events, the fun of the dances, and the agony of research papers and homework. There has been a national economic recession, the come back of the "mini skirt," and the first victory of Pine Tree High School over Longview High School, in both football and soccer! All of these events are the factors that create and enhance our memories of this school year. It was our goal to capture each of these special moments and events in an illustrated memoir. We hope that the 1983 Buccaneer will provide a unique treasure of memories in years to come.

This yearbook would not have been possible without the patience, hard work, and cooperation of many people. We would like to thank the following people for the time that they shared in the Buccaneer:

Mrs. Berry (Yearbook sponsor)
Mr. Santoyo (Photography instructor)
